प्रधान मंत्री

Prime Minister

New Delhi : January 28, 2019

Excellency,

I wish to express my deep condolences at the loss of lives and injuries that many Filipinos sustained in the terrorist attack in Jolo last Sunday.

Violence and terrorism have no place in democratic and pluralistic societies such as ours. India condemns such acts of terrorism in the strongest terms and is ready to work with the Philippines in all possible ways to counter this global menace.

With the assurances of my highest consideration.
